- 10.5 A Fund may invest up to 20% of net assets in shares and / or debt securities issued by the same body where the investment policy of the Fund is to replicate an index. The index must be recognised by the Central Bank on the basis that it is:
- 10.5.1 sufficiently diversified;
- 10.5.2 represents an adequate benchmark for the market to which it refers; and

- 10.6 The limit in Section 10.5 may be raised to 35%, and applied to a single issuer, where this is justified by exceptional market conditions.

13 **ISSUE OF SHARES AND CONVERSION OF SHARES**

- 13.1 Subject as hereinafter provided, the ICAV on or with effect from any Dealing Day on receipt by it of the following:

- 13.1.3 payment for the Shares within the usual time limits in such manner as the ICAV from time to time may specify, provided that if the ICAV receives payment for the Shares in a currency other than the Class Currency for such Shares, the ICAV shall convert or arrange for the conversion of the monies received into the Class Currency and shall be entitled to deduct therefrom all expenses incurred in the conversion;

may issue or allot Shares in any Class at the Net Asset Value then obtaining for each Share in such Class or at such other price as may be disclosed in the Prospectus from time to time. Any such issue of Shares shall be in accordance with the requirements of this Instrument, the Prospectus and the requirements of the Central Bank.

- 13.2 The ICAV shall be entitled to receive in kind payments in the form of securities or other Investments from an applicant for Shares in any Class and to sell, dispose of or otherwise convert such securities or Investments into cash and to apply such cash (net of any expenses incurred in the conversion) for the purchase of Shares in the ICAV in accordance with the provisions hereof.
- 13.3 All information required under the Rules as specified in the Prospectus will be made available to prospective investors prior to subscriptions being accepted.
- 13.4 The Directors shall be entitled to issue Fractional Shares in any Class where the subscription monies received by the ICAV are insufficient to purchase an integral number of Shares in that Class.
- 13.5 The Responsible Person may delegate to the Administrator or to any duly authorised Officer or other person, the duties of accepting the subscription for, receiving payment for and allotting or issuing new Shares.
- 13.6 The Responsible Person in their absolute discretion may refuse to accept any application for Shares in the ICAV or any application to convert Shares in any Class to Shares in another Class or may accept any such application in whole or in part.
- 13.7 No person shall be recognised by the ICAV as holding any Shares on trust and the ICAV shall not be bound by or recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any Shares or (except only as otherwise provided herein or as by law may be required) any other right in respect of any Share, except an absolute right of title thereto in the registered holder.
- 13.8 If at any time the Responsible Person determines, in their sole discretion, that an incorrect number of Shares was issued to a Shareholder pursuant to Section 13 because the Net Asset Value in effect on the Dealing Day was incorrect, the Responsible Person may implement such arrangements as they determine, in their sole discretion, are required for an equitable treatment of such Shareholder, which arrangements may include redeeming a portion of such Shareholder's shareholding for no additional consideration or issuing new Shares to such Shareholder for no consideration, as appropriate, so that the number of Shares held by such Shareholder following such redemption or issuance, as the case may be, is the number of Shares as would have been issued at the correct Net Asset Value.

- 13.9 Subject as hereinafter provided, a holder of Shares of any Class (the “**Original Shares**”) may, with the prior consent of the Responsible Person, from time to time convert all or any portion of such Shares (“**Conversion**”) having such minimum value at the time of Conversion as may be determined by the Responsible Person from time to time into Shares of another Class (the “**New Shares**”) either existing or agreed to be brought into existence on such terms as are disclosed in the Prospectus. Any Original Shares of a Fund may also, in the discretion of the Responsible Person, be converted into New Shares of the same Fund at the prevailing Net Asset Value per Share of such other New Shares in circumstances set out in the Prospectus.

14 **RIGHTS IN SCHEME PROPERTY**

- 14.1 The assets of the ICAV shall belong exclusively to the ICAV and no Shareholder shall have any interest in the underlying assets of the ICAV.
- 14.2 The rights which attach to each Share of any given Class are as follows:
- 14.2.1 the right, in accordance with this Instrument, to participate in or receive profits or income arising from the acquisition, holding, management or disposal of Fund property;
 - 14.2.2 the right, in accordance with this Instrument, to vote at any annual general meeting of Shareholders of the ICAV or at any meeting of the Shareholders of a Class of Shares; and
 - 14.2.3 such other rights as may be provided for in this Instrument in relation to Shares of that Class, subject to the regulations and conditions imposed by the Central Bank.

15 **PRICE PER SHARE**

- 15.1 The Initial Price per Share at which the Shares of any Class shall be allocated or issued and the commission payable on the Initial Price and the Initial Offer Period in relation to any Fund shall be determined by the Directors.
- 15.2 The price per Share for any Class of Shares on any Dealing Day following the Initial Offer Period shall be the Net Asset Value per Share in such Class applicable in the case of issues of Shares in such Class as determined in accordance with Section 21 and Schedule 1 or such other price as may be determined by the Responsible Person and disclosed in the Prospectus from time to time.
- 15.3 Shares may only be issued at a fixed price after the Initial Offer Period where it has been confirmed to the Central Bank by the ICAV and or the Depositary that existing Shareholders of the relevant Fund will not be prejudiced.
- 15.4 The Responsible Person may require an applicant for Shares to pay to the ICAV in addition to the price per Share, such commission and Duties and Charges in respect of the Shares as the Responsible Person from time to time may determine.
- 15.5 Notwithstanding any other provision of this Instrument, in calculating the price per Share for any Class of Shares on any Dealing Day when there are net subscriptions the Responsible

Person may adjust the subscription price by adding an Anti-Dilution Levy to cover dealing costs and to preserve the value of the underlying assets of the relevant Fund.

15.6 Subject to the provisions of the Act and the Rules, the Responsible Person on or with effect from any Dealing Day may issue Shares in any Class on terms providing for settlement to be made by the vesting in the Depositary, on behalf of the ICAV of any Investments for the time being held or which may be held hereunder and in connection therewith the following provisions shall apply:

15.6.1 the assets to be transferred in to the Fund must qualify as investments of the Fund in accordance with the investment objectives, policies and restrictions which are set out in the Prospectus;

15.6.2 the Responsible Person shall be satisfied that the terms of any such exchange shall not be such as are likely to result in any material prejudice to the Shareholders;

15.6.3 the number of Shares to be issued shall be not more than the number which would have been issued for settlement in cash as hereinbefore provided on the basis that the amount of such cash was an amount equal to the value of the Investments to be so vested in the ICAV as determined by the Responsible Person on the relevant Dealing Day;

15.6.4 no Shares shall be issued until the Investments shall have been vested in, or arrangements have been made to vest the Investments in, the Depositary or its sub-custodian, nominee or agent and the Depositary is satisfied that there is unlikely to be any material prejudice to the Shareholders of the relevant Fund; and

15.6.5 any duties and charges arising in connection with the vesting of such Investments in the ICAV shall be paid by the person to whom the Shares are to be issued, or by the relevant Fund.

15.7 No Shares shall be issued on any Dealing Day on which the determination of the Net Asset Value of such Shares is suspended pursuant to Section 21.2 hereof.

15.8 Notwithstanding any other provision of this Instrument in calculating the price per Share on any Dealing Day in respect of any Class in respect of which it has been determined to charge a performance fee, the Responsible Person may from time to time and in their sole discretion, determine that the ICAV shall apply a performance fee equalisation formula and will disclose details of such intention in the Prospectus. In such circumstances, the price per Share of the relevant Shares will be deemed to include an equalisation amount which will represent a portion the accrued performance fee of the relevant Class up to the date of the subscription.

16 **SUBSCRIPTION PRICE**

16.1 The Initial Price per Share at which the allotment of Shares shall be made shall be determined by the Responsible Person and there may be added thereto such sum as the Responsible Person in their absolute discretion may from time to time determine as an appropriate provision for Duties and Charges in respect of the allotment and issue of the Shares and making such other adjustment thereto as the Responsible Person may from time to time determine subject always to the resulting total being adjusted up to the nearest unit

of the currency in which such Shares are designated where the amount so determined is equal to or greater than half of the relevant unit or down to the nearest unit where the said amount is less than half of that unit ("unit" for these purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency). Investors may be subject to a sales charge of up to 5% of the net subscription amount, as set out in the relevant Supplement.

- 16.2 The subscription price per Share at which the allotment of Shares shall be made following the Initial Offer Period shall be ascertained by determining the Net Asset Value per Share of the relevant Share in accordance with Sections 21 and 22 on the relevant Dealing Day and adding thereto such sum as the Responsible Person in their absolute discretion may from time to time determine as an appropriate provision for Duties and Charges in respect of the allotment and issue of the Shares and/or such sum as the Responsible Person determines to be an Anti-Dilution Levy necessary to cover dealing costs and to preserve the value of the underlying assets of the relevant Fund in accordance with the requirements of the Central Bank and making such other adjustment thereto as the Responsible Person may from time to time determine subject always to the aggregate amount payable on a subscription for Shares being adjusted up to the nearest unit of the currency in which such Shares are designated where the amount so determined is equal to or greater than half of the relevant unit or down to the nearest unit where the said amount is less than half of that unit ("unit" for these purposes being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency). If the subscription price of a Share includes an amount which reflects the accrued income of the relevant Fund, then such amount shall, as from the time at which the consideration representing the subscription price is recognised as an asset of the Fund for the purposes of this Instrument, be treated as income of that Fund.

17 **QUALIFIED HOLDERS**

- 17.1 The Responsible Person may from time to time impose such restrictions as it think necessary for the purposes of ensuring that no Shares of the ICAV are acquired or held by any person in circumstances:
- 17.1.1 which constitute a breach of the law or governmental regulation (or any interpretation of a law or regulation by a competent authority) of any country or territory; or
 - 17.1.2 which would (or would if other Shares were acquired or held in like circumstances) result in the ICAV incurring any liability to taxation or suffering any other adverse consequence (including a requirement to register under any securities or investment or similar laws or governmental regulation of any country or territory); or
 - 17.1.3 which constitutes a breach of this Instrument or the Prospectus as to eligibility or entitlement to hold such Shares and, in this connection, the ICAV may, inter alia, reject at its discretion any subscription for, sale or transfer of, Shares or any conversion.
- 17.2 No Shares shall be allotted or issued to or transferred to or be beneficially owned by any U.S. Person (subject to the discretion of the Responsible Person). The ICAV may refuse to register any transfer of Shares to a U.S. Person. Each subscriber for Shares of the ICAV shall be required to certify that he / she is not, nor is he / she acquiring such Shares, except with the consent of the Responsible Person, on behalf of, or for the benefit of, a U.S. Person (subject to the discretion of the Responsible Person) and that such subscriber will not sell or offer to sell or transfer, hypothecate or otherwise assign such Shares in the U.S. or to, or for the benefit of, a U.S. Person (subject to the discretion of the Responsible Person).

- 17.3 The Responsible Person may determine to permit the private sale of Shares in the U.S. or to U.S. Persons to a limited number of “accredited investors” (as defined in Rule 501(a) of Regulation D under the U.S. Securities Act of 1933 (the “1933 Act”) who are also “qualified purchasers” (as defined in Section 2(a)(51) of the U.S. Investment Company Act of 1940 (the “1940 Act”) under restrictions and other circumstances designed to preclude any requirement to register the Shares under the 1933 Act or any securities law of any state of the U.S., or cause the ICAV to become subject to the registration requirements of the 1940 Act, including presentation by such investors, prior to the delivery to them of Shares, of a letter containing specified representations and agreements. Each applicant for Shares who is in the U.S. or a U.S. Person will be required to provide such representations, warranties or documentation as may be required by the Responsible Person to ensure that such requirements are met prior to approval of such sale or transfer by the Responsible Person.
- 17.4 The Responsible Person may not authorise the purchase by or transfer of Shares to or on behalf of a U.S. Person unless:
- (a) such purchase or transfer does not result in a violation of the 1933 Act or the securities laws of any state of the U.S.;
 - (b) such purchase or transfer would not require the ICAV to register under the 1940 Act; and
 - (c) there will be no adverse regulatory, tax or fiscal consequences or material administrative disadvantage to or its Shareholders as a whole as a result of such a purchase or transfer.

The Responsible Person shall have power (but shall not be under any duty) to impose such restrictions as they may think necessary for the purpose of ensuring that no Shares in the ICAV are acquired or held by any person in breach of the law or requirements of any country or governmental authority including without limitation of the foregoing any exchange control regulations applicable thereto or by a U.S. Person or by any person in the circumstances as described in Section 17.2 or 17.7.

- 17.5 Shareholders are required to notify the Responsible Person immediately in the event that:
- (a) they become U.S. Persons;
 - (b) they become a Benefit Plan;
 - (c) they hold Shares for the account or benefit of:
 - (i) U.S. Persons; or
 - (ii) Benefit Plans;
 - (d) they otherwise hold Shares in breach of any law or regulation or otherwise in circumstances having or which may have adverse regulatory, tax or fiscal consequences or be a material administrative disadvantage for the ICAV or the Shareholders as a whole; or
 - (e) any information provided by the Shareholders on any application form for Shares is no longer correct.
- 17.6 The Responsible Person may upon an application for Shares or on a transfer or transmission of Shares or at any other time and from time to time require such evidence or declarations to be furnished to them in connection with the matters stated in Sections 17.2 and 17.7 as they shall in their discretion deem sufficient.
- 17.7 If a person becomes aware that he / she is holding or owning Shares in contravention of Section 17 he / she shall forthwith in writing request the ICAV to repurchase such Shares in

accordance with Section 19 or shall transfer such Shares to a person duly qualified to hold the same unless he / she has already received a notice under Section 17.9.

17.8 If it shall come to the notice of the Responsible Person or if the Responsible Person shall have reason to believe that any Shares are owned directly or beneficially by:

- (a) any person in breach of any law or requirement of any country or governmental authority or by virtue of which such person is not qualified to hold such Shares; or
- (b) any person who is, or has acquired such Shares on behalf of or for the benefit of, a U.S. Person or is holding Shares for the account of a U.S. Person and such person is not an "accredited investor" (as defined in Rule 501(a) of Regulation D under the 1933 Act) and a "qualified purchaser" (as defined in Section 2(a)(51) of the 1940 Act); or
- (c) any Benefit Plan or is holding Shares for the account or benefit of a Benefit Plan; or
- (d) any person or persons in circumstances which, (whether directly or indirectly affecting such person or persons and whether taken alone or in conjunction with any other person or persons whether connected or not, or any other circumstances appearing to the Responsible Person to be relevant) in the opinion of the Responsible Person might result in the ICAV or any Shareholder incurring any liability to taxation or suffering regulatory, pecuniary or administrative disadvantages which the ICAV or such Shareholder might not otherwise have incurred or suffered; or
- (e) any person who does not supply any of the information or declarations required hereunder within such reasonable period as the Responsible Person may determine; or
- (f) any person who holds Shares with a value which is less than the Minimum Subscription;

The Responsible Person shall be entitled to give notice (in such form as the Responsible Person deems appropriate) to such person or persons requiring him / her or them to transfer such shares to a person who is qualified or entitled to own the same or to request in writing the repurchase of such Shares in accordance with Section 19 or (in the case of (e) only) to purchase additional Shares in order to meet the Minimum Subscription requirement within thirty (30) days.

17.9 If any person upon whom such a notice is served as aforesaid does not within 30 days of the date of such notice (or such lesser period as may be specified in the Prospectus) transfer such Shares or request in writing the ICAV to repurchase the Shares he / she shall be deemed forthwith upon the expiration of 30 days (or such lesser period as may be specified in the Prospectus) to have so requested the repurchase of all of his / her Shares which are the subject of such notice whereupon the Responsible Person shall be entitled to appoint any person to execute such documents as may be required for the purposes of the repurchase. The deemed request to repurchase the Shares may not be withdrawn notwithstanding that the determination of the Net Asset Value for such Shares or the redemption of such Shares may have been suspended.

17.10 Subject to any requisite official consents first having been obtained, settlement shall be effected by depositing the repurchase monies or proceeds of sale in a bank for payment to the person entitled upon such consents being obtained and, if relevant, against production of such evidence of ownership as the Responsible Person may require representing the Shares previously held by such person, together with the repurchase request duly signed. Upon deposit of such repurchase monies as aforesaid such person shall have no further interest in such Shares or any of them or any claim in respect thereof except the right to claim without recourse to the ICAV the repurchase monies so deposited (without interest) upon such consents being obtained and against the production of the said evidence of ownership with the repurchase request duly signed.

- 17.11 The Responsible Person may resolve that the provisions of the foregoing Section 17 shall be disappplied, in whole or in part, for a defined period or otherwise, in the case of U.S. Persons. All transfers of Shares shall be effected by a transfer in writing in any usual or common form and every form of transfer shall state the full name and address of the transferor and transferee.

18 **TRANSFER AND TRANSMISSION OF SHARES**

- 18.1 All transfers of Shares shall be effected by a transfer in writing in any usual or common form and every form of transfer shall state the full name and address of the transferor and transferee.
- 18.2 The instrument of transfer shall be signed by or on behalf of the transferor and need not be signed by the transferee and shall meet such requirements as may be specified in the Prospectus or as may otherwise be required by the Responsible Person to prove the right of the transferor to transfer the Shares. The transferor shall be deemed to remain the holder of the Share until the name of the transferee is entered in the Register in respect thereof.
- 18.3 A transfer of Shares may not be registered if such transfer would result in the transferor or the transferee holding a number of Shares less than the Minimum Subscription.
- 18.4 The Responsible Person may decline to register any transfer of Shares in its sole discretion without cause, including where the instrument of transfer is not deposited at the registered office of the ICAV or at such other place as the Directors may reasonably require, with such other evidence as the Responsible Person may reasonably require to show the right of the transferor to make the transfer and also with the complete application form from the transferee. The Responsible Person may decline to register a transfer where the transfer would result in a contravention of any provision of this Instrument or would produce a result inconsistent with any provision of the Prospectus or where the transferee fails to provide the necessary declarations as to tax residency as may be requested by the ICAV.
- 18.5 If the Responsible Person declines to register a transfer of any Share they shall, within two months after the date on which the instrument of transfer was lodged with the ICAV, give to the transferee written notice of the refusal. For the avoidance of doubt, the Responsible Person is not required to register a transfer or give notice to any person of a refusal to register a transfer where registering the transfer or giving the notice would result in a contravention of any provision of any law (including any law that is for the time being in force in a country or territory other than the State).
- 18.6 The registration of any transfers may be suspended at such times and for such periods as the Responsible Person from time to time may determine, **PROVIDED ALWAYS** (but subject to Section 21.2 hereof) that such registration of transfers shall not be suspended for more than thirty (30) days in any year.
- 18.7 All instruments of transfer which shall be registered shall be retained by the ICAV, but any instrument of transfer which the Responsible Person may decline to register shall (except in the case of fraud) be returned to the person depositing the same.
- 18.8 In the case of the death of a Shareholder, the survivors or survivor where the deceased was a joint holder and the executors or administrators of the deceased where he / she was a sole or surviving holder, shall be the only person recognised by the ICAV as having title to his / her interest in the Shares, but nothing in this Section shall release the estate of the deceased

holder whether sole or joint from any liability in respect of any Share solely or jointly held by him / her.

- 18.9 Any guardian of an infant Shareholder and any guardian or other legal representative of a Shareholder under legal disability and any person entitled to a Share in consequence of the death, insolvency or bankruptcy of a Shareholder shall, upon producing such evidence of his / her title as the Responsible Person may require, have the right either to be registered themselves as the holder of the Share or to make such transfer thereof as the deceased or bankrupt Shareholder could have made, but the Responsible Person shall, in either case, have the same right to refuse or suspend registration as they would have had in the case of a transfer of the Share by the infant or by the deceased, insolvent or bankrupt Shareholder before the death, insolvency or bankruptcy or by the Shareholder under legal disability before such disability.
- 18.10 A person so becoming entitled to a Share in consequence of the death, insolvency or bankruptcy of a Shareholder shall have the right to receive and may give a discharge for all monies payable or other advantages due on or in respect of the Share, but he / she shall not be entitled to receive notice of or to attend or vote at meetings of the ICAV, nor save as aforesaid, to any of the rights or privileges of a Shareholder unless and until he / she shall be registered as a Shareholder in respect of the Share, **PROVIDED ALWAYS** that the Responsible Person may at any time give notice requiring any such person to elect either to be registered themselves or to transfer the Share and if the notice is not complied with within ninety (90) days the Responsible Person may thereafter withhold all moneys payable or other advantages due in respect of the Share until the requirements of the notice have been complied with.

19 **REPURCHASE OF SHARES**

- 19.1 The ICAV may repurchase its own outstanding fully paid Shares at any time in accordance with the conditions imposed by the Central Bank and the rules and procedures set out herein and in the Prospectus. A Shareholder may at any time irrevocably request the ICAV to repurchase all or any part of his / her Shares in the ICAV for Redemption Price by forwarding a request for repurchase of Shares to the ICAV and, save as otherwise provided in the Prospectus, a repurchase request shall be effective on the Dealing Day following receipt of the repurchase request.
- 19.2 A request for repurchase of Shares shall be in such form as the Responsible Person shall prescribe, shall be irrevocable (without the consent of the Responsible Person) and shall be filed by a Shareholder in written form at the registered office of the ICAV, or at the office of the person or entity from time to time designated by the ICAV as its agent for the repurchase of Shares, and, at the request of the ICAV shall be accompanied by proper evidence of succession or assignment satisfactory to the Responsible Person, if applicable.
- 19.3 On receipt of a request for repurchase of Shares duly completed the ICAV shall repurchase the Shares as requested on the Dealing Day on which the repurchase request is effective subject to any suspension of this repurchase obligation pursuant to Section 21.2 hereof. Shares in the capital of the ICAV which are repurchased by the ICAV shall be cancelled. For the avoidance of doubt, Shares held by one Fund in another Fund shall not be cancelled.
- 19.4 The Redemption Price per Share in any Class of Shares shall be the Net Asset Value per Share in that Class applicable in the case of a repurchase of such Share obtaining on the

Dealing Day on which the repurchase request is effective, less such commission and duties and charges as may be set out in the Prospectus such commission shall not exceed 3% of the Net Asset Value of the Shares subject to repurchase and making such other adjustment thereto as the Director or their delegate may from time to time determine.

- 19.5 The ICAV shall not increase the maximum commission relating to the repurchase of Shares without prior approval of Shareholders by way of Special Resolution, Ordinary Resolution or with the prior written approval of all Shareholders of the ICAV. In the event of an increase in the commission, notification within a reasonable notification period shall be provided to all Shareholders to enable Shareholders redeem their Shares prior to the implementation of the increase.
- 19.6 Notwithstanding any other provision of this Instrument, in calculating the Redemption Price per Share for any Class of Shares on any Dealing Day when there are net redemptions the Responsible Person or their delegate may adjust the Redemption Price by deducting an Anti-Dilution Levy to cover dealing costs and to preserve the value of the underlying assets of the relevant Fund.
- 19.7 Payment to a Shareholder under this Section will ordinarily be made in the relevant Class Currency, or at the discretion of the Responsible Person in any other freely convertible currency at the rate of exchange for conversion on the date of payment and shall be despatched no later than ten (10) days following acceptance of the repurchase request as provided for in Section 19.1.
- 19.8 On repurchase of part only of the Shares held by any Shareholder, the Responsible Person shall procure that evidence of ownership shall be issued free of charge for the balance of such Shares.
- 19.9 In the event that a repurchase of part only of a Shareholder's holding of Shares leaves the Shareholder holding less than the Minimum Subscription the Directors may, if they think fit, require that the ICAV repurchase the whole of that Shareholder's holding.
- 19.10 If the ICAV receives requests for the repurchase of Shares in respect of 10 per cent or more of the Net Asset Value of any Fund on any Dealing Day, the Responsible Person may elect to restrict the total number of Shares of that Fund to be repurchased to 10 per cent of the Net Asset Value in that Fund, in which case all the relevant requests will be scaled down pro rata to the number of Shares requested to be repurchased. The balance of such Shares will be repurchased on the next Dealing Day, subject to the provisions of this Section 19.10, and such Shares shall be repurchased rateably to any Shares to be repurchased on that Dealing Day.
- 19.11 A distribution in respect of a redemption may also be made in kind, at the discretion of the Responsible Person, provided that the redemption in kind will only be made with the consent of the redeeming Shareholder. The assets to be transferred shall be selected at the discretion of the Responsible Person with the approval of the Depositary and taken at their value used in determining the Redemption Price of the Shares being so repurchased. As a result, such distributions will only be made if the Responsible Person and the Depositary consider that they will not materially prejudice the interests of the Shareholders of the relevant Fund as a whole and the Depositary is satisfied that the assets distributed are equivalent to the amount of the distribution declared. Shareholders will bear any risks of the distributed securities and may be required to pay a brokerage commission or other costs in

order to dispose of such securities. In circumstances where a Shareholder has requested redemption of Shares that represent more than 5% of the Net Asset Value of the ICAV, redemption in kind may be solely at the discretion of the Responsible Person. If a Shareholder so requests, the ICAV shall sell the assets to be distributed to that Shareholder and distribute the cash proceeds to the Shareholder. The cost of any such sale may be charged to the relevant Shareholder.

- 19.12 At any time after the issue of Shares, the ICAV shall be entitled to repurchase the Subscriber Shares or to procure the transfer of the Subscriber Shares to any person who may be a qualified holder of Shares in accordance with Section 17 hereof.
- 19.13 If the determination of the Net Asset Value per Share is suspended on any Business Day by reason of a declaration or notice by the Responsible Person pursuant to Article 21 hereof the right of the applicant Shareholder to have his Shares redeemed pursuant to this Article 19 shall be similarly suspended and during the period of suspension he may, with the approval of the ICAV, withdraw the request for redemption of his Shares (if any). Any withdrawal of a request for redemption under the provisions of this Article 19 shall be made in writing and shall only be effective if actually received by the ICAV or its duly authorised agent before termination of the suspension. If the request is not withdrawn the redemption of the Shares shall be made on the Business Day next following the end of the suspension or on such other Business Day following the end of the suspension as the Responsible Person at the request of the applicant may agree.
- 19.14 In the event that the ICAV is required to account for, deduct or withhold tax on a disposal of Shares by a Shareholder (whether upon a repurchase of Shares, a transfer of Shares or otherwise) or upon payment of a distribution to a Shareholder (whether in cash or otherwise), the Directors shall be entitled to require the compulsory repurchase and cancellation of all or part of the Shares of such Shareholder for the purposes of obtaining sufficient monies to discharge any such tax liability. The Directors shall instruct the Depositary to place the repurchase proceeds received in respect of such a repurchase of Shares in a separate account so that such monies are separately identifiable for the purposes of discharging any applicable tax liability as aforesaid.
- 19.15 The ICAV may also compulsorily redeem Shares in order to discharge performance related fees which are due and payable to the Manager and / or the Investment Manager, in such circumstances as are set out in the Prospectus from time to time.
- 19.16 Where the ICAV receives a request for the repurchase of Shares from any Shareholder in respect of which the ICAV is required to account for, deduct or withhold taxation, the ICAV shall be entitled to deduct from the proceeds of repurchase such amount of taxation as the ICAV is required to account for, deduct or withhold and shall arrange to discharge the amount of taxation due.

20 **TOTAL REPURCHASE**

- 20.1 The ICAV may redeem all of its Shares, or the Shares of any Fund or Class in issue if:
- 20.1.1 the Shareholders of the relevant Fund or Class pass an Ordinary Resolution providing for such redemption at a general meeting of the holders of the Shares of that Fund or Class or in writing;

- 20.1.2 the Directors deem it appropriate because of adverse political, economic, fiscal or regulatory changes affecting relevant Fund in any way;
 - 20.1.3 the Net Asset Value of the relevant Fund, or of a Class of Shares in a Fund, does not reach or falls below such amount as may be determined from time to time by the Directors;
 - 20.1.4 where the Depositary has served notice of its intention to retire in accordance with Section 7.6 above;
 - 20.1.5 the Directors deem it appropriate for any other reason and provide advance notification (as specified in the Prospectus) to Shareholders; or
 - 20.1.6 such other circumstances as may be set out in the Prospectus from time to time.
- 20.2 If all the Shares of a Fund are to be redeemed as aforesaid the Directors may, at their absolute discretion divide amongst the Shareholders of that Fund in kind all or part of the assets of the ICAV attributable to that Fund according to the number of the Shares then held by each person holding Shares of that Fund provided however that if any Shareholder so requests the Directors shall liquidate or otherwise dispose of sufficient assets in order to enable the ICAV to distribute the cash proceeds thereof, net of liabilities, to such Shareholder instead of a distribution of assets in kind.
- 20.3 The ICAV may in its discretion at any time repurchase, or request the transfer of, Shares held by Shareholders who are excluded from purchasing or holding Shares under this Instrument or the Prospectus or where the holding of Shares is in breach of any law or regulation or otherwise in circumstances having, or which may have, adverse regulatory, reputational, tax or fiscal consequences or be a material administrative burden to the Fund or the Shareholders. The Directors are entitled to compulsorily redeem a Shareholder's entire holding of Shares in any Fund or Class if that Shareholder would be the holder of Shares in that Fund or Class with an aggregate value in that Fund of less than the Minimum Holding as prescribed by the Responsible Person from time to time. Any Minimum Holding amount shall be specified in the relevant supplement of the Fund where applicable (as may be amended by the Responsible Person from time to time). Subject to prior notification to the Shareholders, the Responsible Person may, in its absolute discretion, increase the Minimum Holding amounts. Any Minimum Holding amounts may be waived by the Responsible Person in their absolute discretion. Any such redemption will be made on a Dealing Day at a Redemption Price equal to the Net Asset Value per Share on the relevant Dealing Day on which the Shares are to be repurchased, less Duties and Charges and, at the discretion of the ICAV where there are net redemptions on that Dealing Day, an Anti-Dilution Levy to cover dealing costs and to preserve the value of the underlying assets of the relevant Fund.
- 20.4 Where a repurchase of Shares pursuant to Section 19 or 20 would result in the number of Shareholders falling below two or such other minimum number of Shareholders as the Act may stipulate as the legal minimum number of Shareholders in a Fund or would result in the issued Share capital of the ICAV falling below such minimum amount as the ICAV may be obliged to maintain as the Act may stipulate, the ICAV may defer the repurchase of such Shares the repurchase of which would result in such number or amount not being satisfied until the ICAV is wound up or until the ICAV procures the issue of sufficient Shares to ensure that the aforesaid number and amount are satisfied. The ICAV shall be entitled to select the Shares for such deferred repurchase in such manner as it may deem to be fair and reasonable and as may be approved by the Depositary.

21 DETERMINATION OF NET ASSET VALUE AND TEMPORARY SUSPENSION OF DEALINGS

21.1 The Responsible Person or its duly appointed agent shall determine the Net Asset Value of the ICAV and each Fund as at each Valuation Point. The Net Asset Value shall be expressed in the Base Currency as a per Share figure for the issue of Shares and for the repurchase of Shares, respectively as appropriate, and shall be determined in accordance with Section 22 and Schedule 1 hereof.

21.2 The Responsible Person may at any time, in consultation with the Depositary, temporarily suspend the determination of the Net Asset Value or the sale, issue, valuation, sale, purchase, redemption or conversion of Shares of a Fund, or the payment of repurchase proceeds during:

21.2.1 any period when any Recognised Market on which a substantial portion of the Investments for the time being comprised in the ICAV or relevant Fund are quoted, listed, traded or dealt in is closed otherwise than for ordinary holidays, or during which dealings in any such Recognised Markets are restricted or suspended;

21.2.2 any period where, as a result of political, military, economic or monetary events, conditions of financial markets or other circumstances beyond the control, responsibility and power of the Responsible Person, the disposal or valuation of Investments for the time being comprised in the ICAV or relevant Fund cannot, in the opinion of the Responsible Person, be effected or completed normally or without prejudicing the interest of Shareholders of the ICAV or the relevant Fund;

21.2.3 any breakdown in the means of communication normally employed in determining the value of any Investments for the time being comprised in the ICAV or relevant Fund or during any period when for any other reason the value of Investments for the time being comprised in the ICAV or relevant Fund cannot, in the opinion of the Responsible Person, be promptly or accurately ascertained;

21.2.4 any period when the ICAV or the relevant Fund is unable to repatriate funds for the purposes of making redemption payments or during which the realisation of Investments for the time being comprised in the ICAV or the relevant Fund, or the transfer or payment of the funds involved in connection therewith cannot, in the opinion of the Responsible Person, be effected at normal prices;

21.2.5 any period when, as a result of adverse market conditions, the payment of redemption proceeds may, in the opinion of the Responsible Person, have an adverse impact on the ICAV or relevant Fund or the remaining Shareholders in the relevant Fund;

21.2.6 any period (other than ordinary holiday or customary weekend closings) when any market or exchange which is the main market or exchange for a significant part of the instruments or positions is closed, or in which trading thereon is restricted or suspended;

21.2.7 any period when proceeds of any sale or repurchase of the Shares cannot be transmitted to or from the account of the relevant Fund;

- 21.2.8 any period in which the repurchase of the Shares would, in the opinion of the Responsible Person, result in a violation of applicable laws;
 - 21.2.9 any period after a notice convening a meeting of Shareholders for the purpose of dissolving the ICAV or terminating a Fund has been issued, up to and including the date of such meeting of Shareholders; or
 - 21.2.10 any period during which dealings in a collective investment scheme in which the Fund has invested a significant portion of its assets are suspended; or
 - 21.2.11 any period after a resolution calling for the liquidation, dissolution or merger of the relevant Fund has been proposed;
 - 21.2.12 any period when the Responsible Person determine that it is in the best interests of the Shareholders to do so.
- 21.3 The ICAV may elect to treat the first Business Day on which the conditions giving rise to the suspension have ceased as a substitute Dealing Day in which case the Net Asset Value calculations and all issues and repurchases of Shares shall be effected on the substitute Dealing Day.
- 21.4 Any such suspension shall be published by the ICAV in such manner as it may deem appropriate to the persons likely to be affected thereby if in the opinion of the ICAV, such suspension is likely to continue for a period exceeding fourteen (14) days and any such suspension shall be notified immediately (without delay) to the Central Bank and in any event within the same Business Day.

22 **VALUATION OF ASSETS**

- 22.1 The Net Asset Value of the ICAV and the ICAV's assets shall be determined in accordance with requirements of the Central Bank, and subject thereto, in accordance with Schedule 1 to this Instrument. The Net Asset Value per Share will be made available to Shareholders in the manner described in the Prospectus.

23 **GENERAL MEETINGS**

- 23.1 All general meetings of the ICAV shall be held in Ireland, or in such other location as may be determined by the ICAV.
- 23.2 Subject to Section 23.3, the ICAV shall in each year hold a general meeting as its annual general meeting in addition to any other meeting in that year. Not more than fifteen months shall elapse between the date of one annual general meeting of the ICAV and that of the next **PROVIDED THAT**, so long as the ICAV holds its first annual general meeting within eighteen months after the date on which the registration order made by the Central Bank in respect of the ICAV comes into operation, it need not hold it in the year of its incorporation or in the following year.
- 23.3 The Directors may elect to dispense with the holding of an annual general meeting by giving 60 days' written notice to all Shareholders. Any such election has effect for the year in which it is made and subsequent years but does not affect any liability already incurred by reason of default in holding an annual general meeting. Where an election under this Section 23.3 has effect for a year, one or more Shareholders of the ICAV holding, or together holding, not

less than 10% of the voting rights in the ICAV or the auditors of the ICAV may require the ICAV to hold an annual general meeting in that year by giving notice in writing to the ICAV in the previous year or at least one month before the end of that year and the ICAV shall hold the required meeting.

23.4 All general meetings (other than annual general meetings) shall be called extraordinary general meetings.

23.5 The Directors may call an extraordinary general meeting whenever they think fit and extraordinary general meetings shall be convened on such requisition, or in default may be convened by such requisitionists, and in such manner as provided by the Act.

24 NOTICE OF GENERAL MEETINGS

24.1 At least twenty-one (21) clear days' notice specifying the place, the day and the hour of the meeting, and in the case of special business the general nature of such business (and in the case of an annual general meeting specifying the meeting as such) shall be given in the manner hereinafter mentioned to such persons as are under the provisions hereof or the conditions of issue of the Shares held by them entitled to receive notices from the ICAV.

24.2 The Directors and the Auditors shall each be entitled to receive notice of, and attend and speak at, any general meeting of the ICAV.

24.3 In each notice calling a meeting of the ICAV, there shall appear with reasonable prominence a statement that a Shareholder entitled to attend and vote is entitled to appoint one or more proxies to attend and vote instead of him / her and that a proxy need not also be a Shareholder.

24.4 The accidental omission to give notice to, or the non-receipt of notice by, any person entitled to receive notice shall not invalidate the proceedings at any general meeting.

25 PROCEEDINGS AT GENERAL MEETINGS

25.1 All business shall be deemed special that is transacted at an extraordinary general meeting and also all business that is transacted at an annual general meeting, with the exception of the consideration of the accounts and the reports of the Directors and Auditors, the election of Directors in the place of those retiring, the reappointment of the retiring Auditors and the fixing of the remuneration of the Auditors.

25.2 No business shall be transacted at any general meeting unless a quorum is present. Two Shareholders holding voting Shares present either in person or by proxy shall be a quorum for a general meeting. A representative of a corporation authorised pursuant to Section 26.12 to be present at any meeting of the ICAV shall be deemed to be a Shareholder for the purpose of a quorum.

25.3 If within half an hour from the time appointed for a meeting a quorum is not present, the meeting, if convened on the requisition of or by Shareholders, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week, at the same time and place or to such other day and at such other time and place as the Directors may determine. One Shareholder present either in person or by proxy shall be quorum for any such adjourned meeting.

- 25.4 The chairman or, if absent, the deputy chairman of the ICAV, or failing him / her, some other Director nominated by the Directors shall preside as chairman at every general meeting of the ICAV but if at any meeting neither the chairman nor the deputy chairman nor such other Director be present within fifteen minutes after the time appointed for holding the meeting, or if none of them be willing to act as chairman, the Directors present shall choose some Director present to be chairman, or if no Directors be present, or if all the Directors present decline to take the chair, the Shareholders present shall choose some Shareholder present to be chairman.
- 25.5 The chairman may with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting) adjourn the meeting from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place. When a meeting is adjourned for fourteen days or more ten days' notice at the least specifying the place, the day and the hour of the adjourned meeting, shall be given as in the case of the original meeting but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting. Save as aforesaid, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.
- 25.6 At any general meeting, a resolution put to the vote of the meeting shall be decided on a show of hands of those Shareholders holding voting Shares, unless a poll is requested by five Shareholders or by Shareholders holding 10% or more of the Shares or unless the chairman of the meeting requests a poll. Unless a poll is so taken, a declaration by the chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority, and an entry to that effect in the book containing the minutes of the proceedings of the ICAV shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.
- 25.7 If a poll is duly demanded, it shall be taken in such manner and at such place as the chairman may direct (including the use of ballot or voting papers or tickets) and the result of a poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
- 25.8 The chairman may, in the event of a poll, appoint scrutineers and may adjourn the meeting to some place and time fixed by him / her for the purpose of declaring the result of the poll.
- 25.9 In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of the meeting at which the show of hands takes place or at which the poll is demanded shall be entitled to a second or casting vote.
- 25.10 A poll demanded on the election of a chairman and a poll demanded on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken at such time and place as the chairman directs not being more than thirty days from the date of the meeting or adjourned meeting at which the poll was demanded.
- 25.11 The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded.
- 25.12 A demand for a poll may be withdrawn and no notice need be given of a poll not taken immediately.

- 25.13 If at any time the Share capital is divided into different Classes of Shares, the rights attached to any Class (unless otherwise provided by the terms of issue of the Shares of that Class or unless otherwise provided herein) may, whether or not the ICAV is being wound up, be varied with the consent in writing of the holders of three-fourths of the issued Shares of that Class, or with the sanction of an Special Resolution passed at a separate general meeting of the holders of the Shares of that Class, to which the provisions of this Instrument relating to general meetings shall mutatis mutandis apply, save that the quorum at any such general meeting shall be two or more Shareholders present in person or by proxy together holding at least one-third of the Shares of the relevant Class.

26 VOTES OF SHAREHOLDERS

- 26.1 Subject to any special rights or restrictions for the time being attached to any Class of Shares in accordance with the requirements of the Central Bank, each Shareholder shall be entitled to such number of votes as shall be produced by dividing the aggregate net asset value of that Shareholder's shareholding (expressed or converted in Base Currency, calculated as of the relevant record date. Where a separate written resolution or general meeting of a particular Class of Shares is held, in such circumstances, the Shareholder's votes shall be calculated by reference only to the net asset value of each Shareholder's shareholding in that particular Class, as appropriate. The Subscriber Shareholders shall have one (1) vote for each Subscriber Share held. The "relevant record date" for these purposes shall be a date being not more than thirty (30) days prior to the date of the relevant general meeting or written resolution as determined by the Directors. In relation to a resolution which in the opinion of the Directors affects more than one (1) Class of Shares, such resolution shall be deemed to have been duly passed only if, in lieu of being passed through a single meeting of the Shareholders of such Class of Shares, such resolution shall have been passed at a separate meeting of the Shareholders of each such Classes. The Directors may in their discretion create Classes which shall be designated as non-voting Shares and the holders of such Shares will not have the right to vote at any meeting of the ICAV.
- 26.2 In the case of joint holders of a Share, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the Shares.
- 26.3 No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the chairman of the meeting, whose decision shall be final and conclusive.
- 26.4 On a poll votes may be given either personally or by proxy.
- 26.5 On a poll, a Shareholder entitled to more than one vote need not, if he / she votes, use all his / her votes or cast all the votes he / she uses in the same way.
- 26.6 The instrument appointing a proxy shall be in writing under the hand of the appointer or of his / her attorney duly authorised in writing, or if the appointer is a corporation under the hand of an officer or attorney so authorised. An instrument of proxy shall be in any usual form or in such form as the Directors may approve **PROVIDED ALWAYS** that such form shall give the holder the choice of authorising his / her proxy to vote for or against each resolution.

- 26.7 Any person (whether a Shareholder or not) may be appointed to act as a proxy. A Shareholder may appoint more than one proxy to attend on the same occasion.
- 26.8 The instrument appointing a proxy and the power of attorney or other authority (if any) under which it is signed or a notarially certified copy of such power or authority, shall be deposited at the registered office of the ICAV or at such other place as is specified for that purpose in the notice of meeting or in the instrument of proxy issued by the ICAV not less than forty-eight (48) hours before the time appointed for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote and if the aforesaid conditions are not complied with the instrument of proxy shall not be treated as valid.
- 26.9 No instrument appointing a proxy shall be valid after the expiration of twelve months from the date named in it as the date of its execution, except at an adjourned meeting or on a poll demanded at a meeting or an adjourned meeting in cases where the meeting was originally held within twelve months from such date.
- 26.10 The Directors may at the expense of the ICAV send, by post or otherwise, to the Shareholders instruments of proxy (with or without prepaid postage for their return) for use at any general meeting or at any meeting of any class of Shareholders, either in blank or nominating in the alternative any one or more of the Directors or any other persons. If for the purpose of any meeting invitations to appoint as proxy a person or one of a number of persons specified in the invitations are issued at the expense of the ICAV, such invitations shall be issued to all (and not to some only) of the Shareholders entitled to be sent a notice of the meeting and to vote thereat by proxy.
- 26.11 A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the death or insanity of the principal or the revocation of the instrument of proxy, or of the authority under which the instrument of proxy was executed, or the transfer of the Shares in respect of which the instrument of proxy is given, provided that no notice in writing of such death, insanity, revocation or transfer shall have been received by the ICAV at the registered office of the ICAV, before the commencement of the meeting or adjourned meeting at which the instrument of proxy is used.
- 26.12 Any body corporate which is a Shareholder may authorise by resolution of its Directors or other governing body such person as it thinks fit to act as its representative at any meeting of the ICAV and the person so authorised shall be entitled to exercise the same powers on behalf of the body corporate which he / she represents as that body corporate could exercise if it were an individual Shareholder and such body corporate shall for the purposes of these presents be deemed to be present in person at any such meeting if a person so authorised is present thereat.
- 26.13 A resolution in writing signed by all of the Shareholders for the time being entitled to attend and vote on such resolution at a general meeting (or being bodies corporate by their duly authorised representative) shall be as valid and effective for all purposes as if the resolution had been passed at a general meeting of the ICAV duly convened and held, and may consist of several documents in like form each signed by one or more persons, and if described as a Special Resolution shall be deemed to be a Special Resolution within the meaning of the Act. Any such resolution shall be served on the ICAV.
- 26.14 The provisions of Sections 23, 24, 25 and 26 shall apply *mutatis mutandis* to meetings of each Fund and / or class of Shareholders.

27 DIRECTORS

- 27.1 Unless otherwise determined by the ICAV by Ordinary Resolution, the number of the Directors shall not be less than two (2) nor more than twelve (12).
- 27.2 A Director need not be a Shareholder.
- 27.3 The Directors shall have power at any time and from time to time to appoint any person to be a Director, either to fill a casual vacancy or as an addition to the existing Directors.
- 27.4 The Directors shall be entitled to such remuneration in relation to the performance of their duties as the Directors may from time to time determine. The aggregate remuneration of the Directors shall not exceed €100,000 per annum (or such other sum as the Directors may from time to time determine and disclose to the Shareholders). Such remuneration shall be deemed to accrue from day to day. The Directors and any alternate Directors may also be paid all travelling, hotel and other expenses properly incurred by them in attending and returning from meetings of the Directors or any committee of the Directors or general meetings or any meetings in connection with the business of the ICAV.
- 27.5 The Directors may in addition to such remuneration as is referred to in Section 27.4 hereof grant special remuneration to any Director who, being called upon, shall perform any special or extra services to or at the request of the ICAV.
- 27.6 The ICAV at any general meeting at which a Director retires or is removed shall fill the vacated office by electing a Director unless the ICAV shall determine to reduce the number of Directors.
- 27.7 The office of a Director shall be vacated by a Director in any of the following events, namely:
- 27.7.1 if he / she resigns his / her office by notice in writing signed by him / her and left at the registered office of the ICAV;
 - 27.7.2 if he / she becomes bankrupt or makes any arrangement or composition with his / her creditors generally;
 - 27.7.3 if he / she becomes of unsound mind;
 - 27.7.4 if he / she ceases to be a Director by virtue of, or becomes prohibited from being a Director by reason of an order made under the provisions of any law or enactment;
 - 27.7.5 if he / she is requested by a majority of the other Directors (not being less than two in number) to vacate office;

consent, the chairman of such meeting may waive the said notices and submit to the meeting the name of any person so nominated, provided such person confirms in writing his / her willingness to be appointed.

- 27.9 At a general meeting, a motion for the appointment of two or more persons as Directors of the ICAV by a single resolution shall not be made, unless a resolution that it shall be so made has been first agreed to by the meeting without any vote being given against it.
- 27.10 Subject to the requirements of the Central Bank, any Director may at any time by instrument in writing under his / her hand and deposited at the registered office, or delivered at a meeting of the Directors, appoint any Director or other person to be his / her alternate Director and may in like manner at any time terminate such appointment.
- 27.11 The appointment of an alternate Director shall determine if his / her appointer ceases to be a Director or on the happening of any such event which if he / she were a Director would cause him / her to vacate such office.
- 27.12 An alternate Director shall be entitled to receive notices of meetings of the Directors and shall be entitled to attend and vote as a Director at any such meeting at which the Director appointing him / her is not personally present and generally at such meeting to perform all functions of his / her appointer as a Director and for the purposes of the proceedings at such meeting the provisions hereof shall apply as if he / she (instead of his / her appointer) were a Director. - 28.2 A Director holding any such executive office shall receive such remuneration, whether in addition to, or in substitution for, his / her ordinary remuneration, as a Director and whether

by way of salary, commission, participation in profits or otherwise or partly in one way and partly in another, as the Directors may determine.

- 28.3 The appointment of any Director to the office of chairman or managing or joint managing Director shall determine automatically if he / she ceases to be a Director but without prejudice to any claim for damages for breach of any contract of service between him / her and the ICAV.
- 28.4 The appointment of any Director to any other executive office shall not determine automatically if he / she ceases from any cause to be a Director unless the contract or resolution under which he / she holds office shall expressly state otherwise, in which event such determination shall be without prejudice to any claim for damages for breach of any contract of service between him / her and the ICAV.
- 28.5 A Director may hold any other office or place of profit under the ICAV (except that of Auditor or Depositary) in conjunction with his / her office of Director, and may act in a professional capacity to the ICAV, on such terms as to remuneration and otherwise as the Directors may arrange.
- 28.6 Subject to the provisions of the Act and provided that he / she has disclosed to the Directors the nature and extent of any material interest of his / her, a Director notwithstanding his / her office:
- 28.6.1 may be a party to, or otherwise interested in, any transaction or arrangement with the ICAV or in which the ICAV is interested; and

Valuation of Assets

- (a) The Net Asset Value of the ICAV shall be calculated in accordance with the provisions of this Schedule. All approvals given or decisions made by the Depositary pursuant to this Schedule shall be given or made, as the case may be, following consultation with the Manager.
- (b) The Net Asset Value per Share of a Fund shall be calculated by dividing the assets of the relevant Fund less its liabilities by the number of Shares in issue in that Fund. Shares of Funds are expected to perform differently and each Fund will bear its own fees and expenses to the extent specifically attributable to that Fund. Any liabilities of the ICAV that are not attributable to any Fund shall be allocated amongst the Funds based on their respective Net Asset Value or on any other basis approved by the Directors following consultation with the Depositary having taken into account the nature of the liabilities.
- (c) Where a Fund is made up of more than one Class of Shares, the Net Asset Value of each Class shall be determined by calculating the amount of the Net Asset Value of the relevant Fund attributable to each Class. The amount of the Net Asset Value of a Fund attributable to a Class shall be determined by establishing the number of Shares in issue in the Class, by allocating relevant Class Expenses and management fees to the Class and making appropriate adjustments to take account of distributions paid out of the Fund, if applicable, and apportioning the Net Asset Value of the Fund accordingly. Where the Responsible Person has created different Classes of Shares within a Fund in accordance with Section 9.2 and have determined that currency hedging transactions may be entered into in order to hedge any relevant currency exposure of any Class within a Fund denominated in a currency other than the Base Currency or any financial derivative instruments may be utilised on behalf of specific Classes within a Fund in accordance with the requirements of the Central Bank (collectively "Class Derivative Transactions"), in each case the Administrator shall adjust the Net Asset Value per Share of the Class in order to reflect the costs and resultant gains/losses of such hedging transactions and/or financial derivative instruments.

The Net Asset Value per Share of a Class shall be calculated by dividing the Net Asset Value of the Class by the number of Shares in issue in that Class. Class Expenses or management fees or charges not attributable to a particular Class may be allocated amongst the Classes based on their respective Net Asset Value or any other reasonable basis approved by the Directors following consultation with the Depositary and having taken into account the nature of the fees and charges. Class Expenses or management fees relating specifically to a Class will be charged to that Class. In the event that Classes of Shares within a Fund are issued which are priced in a currency other than the Base Currency for that Fund currency conversion costs will be borne by that Class.

Where the Responsible Person has created different Classes of Shares within a Fund in accordance with Section 9.2 and have determined that Class Derivative Transactions may be entered into in respect of a Class, the Administrator shall adjust the Net Asset Value per Share of the Class in order to reflect the costs and resultant gains/losses of such hedging transactions and/or financial derivative instruments to all other Classes in the Fund pro rata. Accordingly, any appreciation or depreciation of the Net Asset Value of the relevant Fund resulting from expenses, income, gains and losses that are attributable to any Class Derivative Transactions in respect of a Class shall be attributable solely to the Class to which it relates.

- (d) The value of the assets of the ICAV shall be determined as follows:

- (i) Each asset which is quoted, listed or traded on or under the rules of any Recognised Market shall be valued at the last traded price published by a Recognised Market or, if unavailable or if bid and offer quotations are made, the latest available mid-market price (i.e. the mean of the bid and offer price quoted) on the relevant Recognised Market at the close of business on such Recognised Market.
- (ii) The value of any investments listed, quoted or traded on a Recognised Market but acquired or traded at a premium or discount outside of or off the Recognised Market may be valued taking into account the level of premium or discount as of the date of valuation of the instrument and the Depositary must ensure that the adoption of such a procedure is justifiable in the context of establishing the probable realisation value of the relevant asset.
- (iii) If the investment is normally quoted, listed or traded on or under the rules of more than one Recognised Market, the relevant Recognised Market shall be that which the Responsible Person or their delegate, determines provides the fairest criterion of value for the investment.
- (iv) If prices for an investment quoted, listed or traded on the relevant Recognised Market are not available at the relevant time, or are unrepresentative in the opinion of the Responsible Person, such investment shall be valued at such value as shall be estimated with care and in good faith as the probable realisation value of the investment by a competent professional person, firm or corporation (appointed for such purpose by the Responsible Person and approved for the purpose by the Depositary) or at such other value as the Responsible Person who is approved for such purpose by the Depositary considers in the circumstances to be the probable realisation value of the investment estimated with care and in good faith. Neither the Directors, the Manager, the Investment Manager, the Administrator nor the Depositary shall be under any liability if a price reasonably believed by them to be the last traded price or, as the case may be, the latest available mid-market price for the time being, may be found not to be such.
- (v) The value of any investment which is not normally quoted, listed or traded on or under the rules of a Recognised Market shall be valued at such value as shall be estimated with care and in good faith as the probable realisation value of the investment by a competent professional person, firm or corporation (appointed for such purpose by the Responsible Person and approved for the purpose by the Depositary) or at such other value as the Responsible Person who is approved for such purpose by the Depositary considers in the circumstances to be the probable realisation value of the investment estimated with care and in good faith. Neither the Directors, the Manager, the Investment Manager, the Administrator nor the Depositary shall be under any liability if a price reasonably believed by them to be the last traded price or, as the case may be, the latest available mid-market price, the closing mid-market price, the closing bid or the last bid for the time being, may be found not to be such.
- (vi) Fixed income securities may be valued using matrix pricing, ie by reference to the valuation of other securities which are considered comparable in rating, yield, due date and other characteristics where reliable market quotations are not available. The matrix methodology will be compiled by the Responsible Person or a competent person appointed by the Responsible Person and approved for the purpose by the Depositary (a **“Competent Person”**).

- (vii) Units or shares in collective investment schemes (including shares held by a Fund in another Fund) shall be valued on the basis of the latest published net asset value of such units or shares. If such prices are not available, the shares or units will be valued at their probable realisation value estimated with care and good faith by the Manager or Competent Person.
- (viii) Cash deposits and similar investments shall be valued at their face value together with accrued interest unless in the opinion of the Responsible Person (in consultation with the Investment Manager and the Depositary) any adjustment should be made to reflect the fair value thereof.
- (ix) Derivative instruments including but not limited to swaps, options, interest rate futures contracts and other financial futures contracts which are traded on a Recognised Market shall be valued at the settlement price as determined by the relevant Recognised Market or if this price is not available for any reason, such instruments shall be valued at their probable realisation value estimated with care and in good faith by the Responsible Person or a competent person appointed by the Responsible Person and approved for the purpose by the Depositary, or valued by any other means provided that the means of valuation is approved by the Depositary. Other derivatives will be valued at the last sale price on their Recognised Markets on the Valuation Day as reported by the exchange. In the absence of transactions on the Valuation Day, the value will be determined at the mean of between the closing “bid” and “asked” prices on the Recognised Market on the Valuation Day.
- (x) Forward foreign exchange and interest rate swap contracts may be valued in accordance with the provisions of paragraph (v) or, alternatively, by reference to freely available market quotations.
- (xi) Money market instruments having a maturity of three months or less and having no specific sensitivity to market parameters (including credit risk) may be valued by using the amortised cost method of valuation in accordance with the requirements of the Central Bank. The valuation of such securities and any deviation from their marked-to-market valuations will be reviewed in accordance with the requirements of the Central Bank.
- (xii) Notwithstanding the above provisions the Responsible Person may (a) adjust the valuation of any particular asset; where such adjustment or other method of valuation is considered necessary to reflect the fair value in the context of currency, applicable rate of interest, maturity, marketability and / or such other considerations which are deemed relevant, or (b) permit some other method of valuation for a specific / particular asset if the Responsible Person deems it necessary and the alternative method of valuation is approved by the Depositary and the rationale / methodologies used are clearly documented;
- (xiii) Values of assets expressed in a currency other than the Base Currency of the relevant Class of Shares will be converted into the Base Currency of the relevant Class at the officially quoted daily exchange rates used by the Depositary. The officially quoted exchange rate may be determined prior to or after the close of a particular securities market. If such quotations are not available, the rate of exchange will be determined in accordance with policies established in good faith by the Responsible Person.

Dividends, interest and capital gains (if any) which the ICAV receives with respect to its investments (other than securities of Irish issuers) may be subject to taxes, including withholding taxes, in certain countries in which the issuers of investments are located. It is anticipated that the ICAV may not be able to benefit from reduced rates of withholding tax in double taxation agreements between Ireland and such countries. If this position changes in the future and the application of a lower rate results in a repayment to the ICAV, the Net Asset Value will not be re-stated and the benefit will be allocated to the existing Shareholders rateably at the time of the repayment.

Notwithstanding any other provisions of this Instrument, the Responsible Person, may determine that, in relation to any Fund, the value of the relevant investments shall be calculated by reference to the bid price, where redemptions exceed subscriptions on that Business Day, or by reference to the offer price, where subscriptions exceed redemptions on that Business Day, for such Investments as at the Valuation Point. Any such policy shall be applied consistently in respect of a Fund and in respect of all investments of that Fund.

- (e) The liabilities of the ICAV shall be deemed to include any and all actual or estimated liabilities of whatsoever nature of the ICAV (except liabilities taken into account in determining the value of the assets of the ICAV) including, without limitation to the generality of the foregoing:
- (i) all administrative and professional fees and expenses payable and / or accrued including, without prejudice to the generality of the foregoing, all remuneration, fees, costs and expenses payable by the ICAV and / or accrued and / or estimated to be payable by the ICAV to the Depositary, the Manager, the Investment Manager, the Administrator and the legal advisers of the ICAV and to any other person, firm or corporation providing services to the ICAV and all other projected expenses as the Directors consider fair and reasonable and properly payable out of the assets of the ICAV and all value added tax chargeable, if any, in respect of the provision of any of the foregoing services to the ICAV;
 - (ii) any and all outstanding borrowings and all accrued interest payable thereon including, without prejudice to the generality of the foregoing, an amount representing the aggregate maximum amount payable by the ICAV in respect of any debentures, debenture stock, loan stock, loan notes, bonds or other debt obligations created or issued by the ICAV;

 - (iv) the total amount of any actual or estimated liabilities for any and all tax of whatsoever nature and howsoever arising on the income or deemed income and realised capital gains of the ICAV as at the relevant Dealing Day;

 - (vi) an appropriate provision for all taxes and contingent liabilities as determined from time to time by the Directors; and
 - (vii) the total amount (whether actual or estimated by the Directors) of any other liabilities properly payable out of the assets of the ICAV.
